4. Fiat Group Automobiles South Africa (Pty) Ltd reserves the right to outsource the administration and servicing obligations in regard to the warranty and service plan.
  5. The warranty and service plan is transferable from the original purchaser subject to the same terms and conditions contained herein. Details of the new owner must be completed on Pages 4 and 5, and must be submitted to Fiat Group Automobiles South Africa (Pty) Ltd.

For your peace of mind, please carefully read the contents of this warranty booklet and clarify any queries you may have with your selling dealer.

# WARRANTY

## Vehicle Mechanical Warranty:

Fiat Group Automobiles South Africa (Pty) Ltd warrants to the owner of a new ALFA ROMEO 159 vehicle, that each part of such vehicle shall be free of defects in material and workmanship under normal use, service and operation for a period of 60 (sixty) months from the date of sale, to a maximum of 150 000 km travelled during this 60 month period.

Under the terms of this warranty, Fiat Group Automobiles South Africa (Pty) Ltd shall be obliged to affect the free component repair and/or replacement, at any authorized ALFA ROMEO Dealer. Such components as shall be acknowledged by Fiat Group Automobiles South Africa (Pty) Ltd to be defective in material and/or workmanship. The decision as to whether to repair or replace any such components shall be taken by Fiat Group Automobiles South Africa (Pty) Ltd alone.

The service record in this booklet must be stamped accordingly by the servicing dealer.

The warranty period shall not be extended for any reason including, without limitation, the replacement of parts or by reason of time spent on repairs and services during the warranty period.

### **This warranty shall exclude:**

- The normal specified maintenance services of such components as are replaceable at specified service, intervals (covered by the service plan).
- Tyres are excluded from this warranty as they may benefit from the tyre manufactures warranty.
- Fuel, oil and other consumables.

- Any deterioration, resulting from normal wear and tear and/or any minor squeaks or rattles or any noise from any component which in the sole opinion of Fiat Group Automobiles South Africa (Pty) Ltd, is not detrimental to the vehicle.

### **This warranty shall be deemed null and void if:**

- Any ALFA ROMEO vehicle which has not been maintained in accordance with Fiat Group Automobiles South Africa (Pty) Ltd specified service schedules. All services must be carried out within a maximum allowance of 2 000 km or 1 month either side of the stipulated service/engine oil and filter change intervals.
- Any ALFA ROMEO vehicle, which has been repaired or serviced outside of an authorized ALFA ROMEO Dealers place of business or Dealers premises.
- The ALFA ROMEO is subjected to abnormal/severe operating conditions as stipulated in this booklet. In these conditions the ALFA ROMEO must be serviced more regularly.
- Problems/defects which in Fiat Group Automobiles South Africa (Pty) Ltd sole opinion, arise from the use of part/s and/or components other than genuine ALFA ROMEO part/s and/or components.
- The ALFA ROMEO vehicle has been modified, or subject to any form of abuse, ignorance, negligence, or which has been subjected to any form of competition or competitive driving.

*Fiat Group Automobiles South Africa (Pty) Ltd shall not be responsible for any expenses or losses arising from the breakdown of an ALFA ROMEO vehicle during the warranty period, other than labour, repair or replacement of warrantable part/s and or components.*

## TYRE WARRANTY

Tyres originally fitted on new ALFA ROMEO vehicles may be warranted by the tyre manufacturer and are not warranted by Fiat Group Automobiles South Africa (Pty) Ltd. Any ALFA ROMEO dealer will provide you with reasonable assistance to obtain tyre warranty service but accepts no liability for any damages occasioned by any tyre failures or defects.

## VEHICLE PAINT WARRANTY

Fiat Group Automobiles South Africa warrants to the owner of a new ALFA ROMEO vehicle the paintwork of the metal components of the body shell under normal use and operation for a period of 36 (Thirty Six) months from the date of sale of the new vehicle to the owner irrespective of the distance travelled during this period.

## VEHICLE ANTI-PERFORATION WARRANTY

The anti-perforation warranty covers, for the period of 60 (Sixty) months from the date of sale of the new vehicle to the owner irrespective of the distance travelled, rust which has perforated the metal and has originated inside a cavity panel or section of bodywork i.e. from a surface which has not been finished with a painted exterior top coat.

The obligation of Fiat Group Automobiles South Africa (Pty) Ltd under the terms of this warranty shall be limited to the free replacement or repair at the dealers premises, or at agents nominated or authorized by Fiat Group Automobiles South Africa (Pty) Ltd of such body part/s as shall be acknowledged by Fiat Group Automobiles South Africa (Pty) Ltd to manifest corrosion

covered by this warranty and within the aforesaid warranty period.

The anti-perforation warranty period shall not be extended for any reason, including, without limitation, the replacement of parts or by reason of time spent on repairing and replacing parts during the warranty period.

## PAINT AND ANTI-PERFORATION WARRANTY CONDITIONS

The following specific conditions will apply:

- Regular service operations as stated in the Owners Handbook must all be performed by authorized ALFA ROMEO Dealers at the correct mileage / time intervals as stated in this book and Owners Handbook. If this is not done, the warranty becomes null and void.
- Vehicles operating under abnormally severe conditions on beaches, dirt and loose gravel roads, in coastal environments with high humidity and salt mist-laden air, require added protection. These circumstances are conducive to rapid paint, body and certain mechanical/electrical component deterioration. It is therefore the responsibility of the owner to take cognizance of the environment and conditions under which the vehicle is expected to operate and to take suitable steps to prevent the deterioration of the paint, bodywork and other components of the vehicle. Top priority must be given to regular cleaning of vehicles in these conditions.
- Body inspections form an integral part of the preventative maintenance service schedule, and must be conducted in the 12th, 24th, 36th, 48th and 56th month after date of purchase

## WARRANTY

---

of the new vehicle. It is the responsibility of the vehicle owner to ensure that such inspections are carried out and recorded in this warranty booklet at the prescribed intervals by an authorized Alfa Romeo Dealer.

- Should body corrosion be present at any time, this must be reported to the owners nearest ALFA ROMEO Dealer within 30 days. The owner must make his vehicle available for repair and treatment not later than 30 days after the condition was reported. If the owner fails to notify his nearest ALFA ROMEO Dealer, or to make his vehicle available for repair and treatment as required in this clause, the warranty against perforation becomes null and void.
- Any preventative treatment expenses due to external paint/body damage and/or under sealer damage is for the customer's account.

**Claims in respect of corrosion will not be honoured if the cause of such corrosion is attributable to, or in respect of:**

- The vehicle having being subject to an accident or alteration, irrespective of the magnitude of the incident:
- Neglect on behalf of the owner in terms of proper and regular body maintenance.
- External influence of any kind to the bodywork such as chipped paint, scratches, industrial and other fall-out or pollution.
- Failure to repair, or have repaired, external paint/underbody sealer damage, promptly.

- The failure by the owner to have the maintenance services and body inspections done by an authorized ALFA ROMEO Dealer at the stipulated mileage/time intervals.
- Failure on behalf of the owner to report any corrosion in the early stages within the stipulated 30 days. The warranty shall not apply in cases where extensive corrosion is evident.
- Accessories not originally fitted or approved by Fiat Group Automobiles South Africa (Pty) Ltd or caused by the fitting of such additional accessories.
- Corrosion to body as a result of bolt on parts, if the design of the attachment is not approved by Fiat Group Automobiles South Africa (Pty) Ltd.

The satisfaction and goodwill of all ALFA ROMEO owners is of importance to Fiat Group Automobiles South Africa (Pty) Ltd and its Dealers.

Should you have a warranty problem, please contact your selling Dealer, who has the responsibility to perform warranty repairs.

You may however, take your vehicle to any authorized ALFA ROMEO Dealer should circumstances such as a change of address, an extended trip, or an emergency necessitate warranty repairs.

## HOW TO SUBMIT A CLAIM

---

Book your vehicle in at an Authorised ALFA ROMEO Dealer, preferably your selling Dealer. Please ensure you make available the following:

WARRANTY BOOK together with any other proof of services by an Authorised Alfa Dealer for all warranty repairs.

No work is to be commenced until duly authorised by Fiat Group Automobiles South Africa (PTY) LTD or its Principals.

Whilst every care will be taken to ensure the proper servicing of your motor vehicle in terms of this policy, Fiat Group Automobiles South Africa (PTY) LTD and its Dealers shall not be responsible for any loss, injury or damage to the owners, or any other person and / or property, including any consequential losses or damages arising out of any action or failure to act, by Fiat Group Automobiles South Africa (PTY) LTD, its employees, Dealers, Agents or advisors, however arising.

The authorised ALFA ROMEO dealership will verify the validity of the service plan prior to commencement of service.

## SERVICE GUIDE

---

In order to maintain validity of your Warranty of your vehicle it is essential that all services be performed by authorised Alfa Romeo Dealer at the correct intervals in mileage and time.

Failing this renders the Warranty of the vehicle null and void.

### Servicing Guide

- Vehicles operating under low mileage driving conditions, mostly in urban areas under 10 000 km in 1 year must come in for an engine oil and oil filter replacement in that year,  $\pm$  1 month. **Warranty start date is the reference date.** These are covered under the service plan.
- Vehicles operating under normal driving conditions, over 10 000 km every year then the engine oil and oil filter must be replaced during periodic services or 24 month,  $\pm$  1 month. **Warranty start date is the reference date.**

**NB: 1750 TBi engine version needs to be serviced every 12 months or 35 000 km**

### Example:

If in the first year the mileage covered is **less than 10 000 km**, the engine oil and oil filter must be replaced when reaching the **12<sup>th</sup> month**. If the distance in the second year is similar to the 1<sup>st</sup> year then the engine oil and oil filter must be replaced when reaching the 24<sup>th</sup> month, there after the 30 000 km service is applicable. The same criteria must be used in subsequent intervals.

If in the first year the mileage covered is more than **10 000 km**, the engine oil and oil filter must be replaced when reaching the **24<sup>th</sup> month or 30 000 km**. If the vehicle mileage is less than 20 000 km when reaching the 24<sup>th</sup> month, carry out the engine oil and oil filter service, if the mileage is **more than 20 000 km** the full service must be done.

# SERVICE PLAN PROGRAMME

---

## INTRODUCTION:

Endeavouring to enhance your ALFA ROMEO experience we have added a Service Plan to your new GIULIETTA.

It is built to take care of all labour and parts costs contained in the standard service schedule in the owner's manual, which is delivered with every new vehicle. Only vehicles operated under normal driving conditions will be covered.

Vehicles that are operated under abnormal conditions and that require more frequent services will not be covered by the service plan.

Maintenance and wear and tear repairs will not be covered by the Service Plan. The Service Plan will not be valid unless the agreement is signed by both the Owner and the Dealer with the dealer's stamp.

The satisfaction and goodwill of all ALFA ROMEO owners is of primary importance to Fiat Group Automobiles South Africa (PTY) LTD and its Dealers, together WE are totally dedicated and committed to all your motoring needs.

All services must be done by an Authorised Franchised ALFA ROMEO Dealership.

Your Dealers Service Department has qualified technicians and up-to-date specialised equipment to provide the service repairs on your vehicle.

## SERVICE PLAN:

Your vehicle will have the following Service Plan related to Model:

<b>1750 TBi (Petrol)</b>	<b>: 6 years / 105 000km,</b>
<b>3.2 JTS (Petrol)</b>	<b>: 6 years / 105 000km,</b>

whichever occurs first.

Vehicles operating under low mileage driving conditions, mostly in urban areas under 10 000 km in 1 year must come in for an engine oil and oil filter replacement in that year,  $\pm$  1 month.

**Warranty start date is the reference date.** These are covered under the service plan.

Vehicles operating under normal driving conditions, over 10 000 km every year then the engine oil and oil filter must be replaced during periodic services or 24 month,  $\pm$  1 month.

**Warranty start date is the reference date.**

Servicing must be done according the above conditions which is determined by the distance travelled and time in operation. If the car is mainly used for city driving, in dusty areas, on mountain roads, for towing a trailer, in adverse climatic conditions, or protracted use on motorways at high speed, all the service operations should be performed more frequently.

The tables in the Owner's Manual supplied, list the periodic maintenance servicing required to maintain the engine performance and mechanical condition of your vehicle.

Concerns such as fluid/oil leaks should be immediately

## SERVICE PLAN PROGRAMME

---

corrected. Do not wait for the Service interval check; take your car to an ALFA ROMEO Dealer immediately. If at any time, any system/part of the vehicle shows any sign of malfunction, have the vehicle/system immediately checked by an authorised ALFA ROMEO Dealer.

### SEVERE CONDITIONS:

**If the car is mainly driven in one of the following particularly severe conditions:**

- Towing a trailer or caravan
- On dirt roads
- Short, repetitive trips (less than 7 or 8 km) at sub-zero outside temperatures.
- Engine that is frequently left to idle or driving long distances in temperatures below zero at low speed (e.g. Taxi, door-to-door deliveries, etc.)

**The following checks must be carried out more often than indicated in the Scheduled Servicing Plan (this is not covered by the Service Plan).**

- Check front disc brake pad conditions and wear;
- Check cleanliness of bonnet and boot locks, cleanliness and lubrication of linkage;
- Visually inspect conditions of: engine, gearbox, transmission, pipes and hoses (exhaust - fuel system - brakes) and rubber elements (boots - sleeves - bushes - etc.);
- Check battery charge and battery fluid level (electrolyte);
- Visually inspect conditions of the auxiliary drive belts;

- Check and, if necessary, change engine oil and replace oil filter;
- Check and, if necessary, replace pollen filter;
- Check and, if necessary, replace air filter.

If you are in doubt how often the engine oil and air filter should be changed on the basis of how the car is being used, enquire at an ALFA ROMEO Authorised Dealer.

**NB: Vehicles operating under severe conditions must be serviced in between service intervals or WARRANTY WILL BECOME VOID.**

### SERVICE TIPS:

#### A) 1750 TBi TURBO PETROL VERSION:

- 1) Regardless of mileage, the timing belt must be replaced every four years in case of particularly demanding use (cold climate, city traffic, long idling) or at least every five years.
- 2) The engine oil and oil filter should be changed when the warning light on the instrument panel comes on, or every 12 months.

#### B) 3.2 JTS PETROL VERSION:

- 1) The engine oil and filter should be replaced when the corresponding warning light (if present) in the instrument panel comes on or every 24 months.
- 2) If the vehicle is mainly used around town, the engine oil and filter should be changed every 12 months.

## SERVICE PLAN PROGRAMME

---

### INTERIM CHECK

We recommend that you check the following items and levels between Maintenance Services (every 1000 km or before long journeys).

- Engine coolant level;
- Brake fluid level;
- Windscreen washer fluid level;
- Tyre inflation pressure and condition;

- Operation of lighting system (headlamps, direction indicators, hazard warning lights, etc.);
- Operation of windscreen washer/wiper system and positioning/wear of windscreen/rear window wiper blades;

Please refer to your Owner's Manual for required specification of top up fluid to be used, if in doubt contact Your nearest ALFA ROMEO Authorised Dealer.

### SUBMITTING A CLAIM

---

(\*) regardless of the mileage, the timing belt must be changed every 4 years for heavy-duty use (cold climates, town use, long periods of idling) or at least every 5 years.

(\*\*) the actual interval for changing the oil and replacing the engine oil filter depends on the vehicle usage conditions and is signalled by the warning light or message (if present) in the instrument panel

(\*\*\*) If the car is used mainly in cities and in particularly cold climates and in all cases in which the distance driven every year is low, the engine oil and filter must be changed every 12 months.
